## **Merry Christmas!**

**December 2025**

Not long ago I received a call from Carrie, the secretary at RBM. We have several new volunteers at RBM who are teaching classes throughout the state. One of them had called her inquiring about the follow-up program. She had 16 children in her class make decisions for Christ! Can you imagine how exciting it was for me to receive this call? This volunteer is now working to get me the names, ages and addresses of all of the children so I can start them on RBM's six-session Bible Study for new believers.

Christmas is such a perfect time for children in the Released Time Bible Classes to hear and respond to the Gospel. So please pray that the children attending classes all over the state this month will receive God's gift of salvation, just like the 16 children I received the phone call about.

Luke and I are enjoying this time of year as well. He is going to be in a Christmas program at school and at church. I had to laugh when I told him the part his class was going to be playing in his school program. "I'm going to be cattle??" I think he will make a very cute "cattle." (-: At church, he is going to be a farm animal not yet disclosed. As my neighbor said when I invited her to the program, "I'm sure a farm animal is a very important part of the Christmas story." (-:

Thank you for the prayers and support you give so that I can be a part of sharing the Gospel with children all over the state of Michigan.

**Lovingly,  
Amy and Luke Wichterman**
