

Giving at Calvary Baptist Church

Calvary Baptist has a general policy of anonymous giving, in that we do not take pledges from individuals and track their giving to make sure they are giving accordingly. We believe in the 10 per cent tithe and offerings beyond tithing and feel the obedience to this is between God and the giver. Calvary continues to be blessed financially as our needs are met on a continuing basis without constant fund drives and appeals for money.

Calvary Baptist Church provides both **Online Giving** and **Offering Envelope Sets** for your convenience in giving to the church.

If you choose to utilize either of these tools, a print out of your giving will be provided to you at the end of the calendar year.

Offering Envelope Sets are available as a convenience and provide a way of tabulating a total of one's annual giving. At the end of each year, annual giving totals are mailed to each individual/family (using the offering envelopes) for their use in income tax calculation. Below is an example of an offering envelope.

The envelopes are numbered. Each individual/family who would like to use the offering envelopes is assigned a specific number by the Church Administrative Assistant. Contact the church office (269-963-4433 or office@calvarybattlecreek.com) to obtain an offering envelope set.

On each envelope, there is a line for General Fund and a line for Building Fund giving. Giving to the missionaries supported by Calvary is included in the General Fund. **Building Fund** is a fund that is an on-going part of Calvary's giving. This fund is for financing major building remodeling or new construction without burdening the general fund. If you would like to give a special offering, please mark your envelope accordingly by adding a description and amount.

Online Giving is also available for your convenience. Calvary partners with Subsplash Giving, a secure website, which processes online giving for the church. You can access Online Giving to Calvary via this link: <https://secure.subsplash.com/ui/access/9MTKM3#/>.
